Camrose County

RE: Reference Letter for Pre-Qualification
O/Ref.:

Attn: To whom it may concern,

In 2011 (Funnell Road – 2.8 km grading project with 1 Bridge File CSP) and 2013/14 (Greenwood Lake Road – 5.4 km grading project with 2 Bridge File CSPs) we worked with Van Rooyen Construction (Alberta) Ltd. a subcontractor to Prairie Erectors International Inc. on road projects in Brazeau County. The projects were delivered in a timely manner; with an exceptional finish product. The dealings with Van Rooyen Construction, although limited since they were the subcontractor, were professional and unproblematic.

Should you have any questions or concerns please call the undersigned at the numbers listed below.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kelly Brouwer", with a long horizontal flourish extending to the right.

Kelly Brouwer, P. Eng., Area Manager
