To Whom It May Concern:

I am pleased to submit this recommendation on behalf of Van Rooyen Construction (Alberta) Ltd.

I have had the opportunity to work with Van Rooyen Construction over the past year on the Snowmelt Facility within Strathcona County.

Van Rooyen Construction has a professional and highly qualified team that maintains good relationships while keeping the needs of the client in the forefront. The site supervisor was highly involved throughout the project and management was easily accessible.

The project was a high priority for Strathcona County to get completed on tight timelines. Van Rooyen Construction worked diligently to meet those timelines and was able to successfully coordinate all subcontractors to ensure the project was completed on time.

Van Rooyen Construction surpassed my expectations and is an organization that Strathcona County will want to continue to work with in the future.

If you would like to discuss anything further, please do not hesitate to contact me.

Sincerely,

Cody Thordarson
